

HEALTH & SAFETY MISSION STATEMENT
(Policy Statement of Intent)

1. The Board of Directors of GPW DESIGN SERVICES LTD recognise the promotion of health and safety measures as an important objective for both Management and Employees at all levels.
2. It is Company policy to take all responsible steps to prevent personal injuries and to protect Employees from potential work hazards. This duty also extends to members of the general public, in so far they come into contact with operations of the Company, or its products.
3. In particular, the Management recognises its responsibility, so far as is reasonably practicable:-
 - (i) to provide and maintain safe working conditions at all the Company's premises, both in respect of Employees, independent contractors and other persons working at the premises;
 - (ii) to provide such information, instruction, training and supervision as may be necessary to enable Employees to perform their work safely and efficiently;
 - (iii) to provide and maintain such suitable safety devices and protective equipment as may be appropriate to the working environment and to secure the proper supervision of their use;
 - (iv) to take such steps as may be necessary to avoid risk to health at work and to take account of all relevant statutory requirements; to consult with our employees on matters affecting their Health & Safety and to prevent accidents and cases of work-related ill health.
 - (v) to maintain an active and continuing interest in all matters appertaining to health and safety at work and to review and reverse this policy as necessary at regular intervals.
